

## RTX LP buying policies

We are looking to purchase a wide variety of records covering numerous genres!

This includes but is not limited to: **Rock, Jazz, Soul, Blues, Doowop, Funk, Go-Go, Boogie, Disco, R&B, Progressive, Psychedelic, Punk, Metal, Goth, Hip-Hop, EDM, Breaks, Industrial, Noise, Garage rock, Ska, Reggae, Bluegrass, Folk, Early Country, Gospel, Spoken Word, Soundtracks, Latin, World (Afrobeat, Indian, Asian, etc.), and Modern releases.**

If you have records (LPs or 45s) that fall under any one of these categories, then please call us at **(703) 425-4256** to make an appointment with one of our record buyers and to answer any further questions you may have. We cannot provide you with an estimate over the phone because we will need to see them in person to take the records' pressing and condition into account.

Here is the list of records that we do **not** buy due to a large supply and a lack of demand: Pop vocal (Barbra Streisand, Neil Diamond, Johnny Mathis, Andy Williams, Barry Manilow, etc.), Easy listening (Perry Como, Mantovani, Lawrence Welk, 101 Strings Orchestra, etc.), Big Band (Glen Miller, Benny Goodman, Ray Conniff, etc.), Broadway show tunes (Dr. Zhivago, My Fair Lady, Rogers & Hammerstein, etc.), Mainstream pop (Carpenters, Chicago, Seals & Crofts, Kenny Loggins, etc.), 78 RPM records (**Unless** they are pre-war blues, Sun Records, Early Rock N Roll, Doowop etc.), and Classical (**Unless** it is Modern Classical like John Cage, Steve Reich, Stockhausen, etc. or on the labels of Red Seal, Deutsche Grammophon, and London FFRR.) If you would like to donate these titles, then we will gladly accept them. Otherwise we recommend donating them to your local thrift store.

Thank you and we look forward to hearing from you!
